

BODEGA GARZÓN URUGUAY

MERLOT 2017 SINGLE VINEYARD

The vineyard soil has a clay overlay, and has excellent drainage. An Eastern orientation enhances morning sun exposure giving more energy to the grape clusters.

Bodega Garzón is close to Punta del Este, La Barra, and Jose Ignacio – Uruguayan Paradise at its best, with mesmerizing landscapes.

Located eleven miles from the Atlantic Ocean, our estate has more than 1,000 small vineyard blocks covering its hillside slopes, which benefit from varying microclimates, different levels of humidity, and an intense canopy management. These factors allow the vines to develop with maximum exposure to the sun providing rich, expressive fruit. The vineyards are surrounded by lush forests, rocky soils, granite boulders, and naturally occurring palm trees.
